Meet the Candidates!
Village of Elmwood Board of Trustees
Julie Anderson

I have lived in Elmwood for about 13 years. Vince and I chose to move to Elmwood because of the great school system and because there was a skating rink. When we moved here Elmwood had everything we needed, good schools, a grocery store, gas station, lumberyard, gift shop, skating rink, etc… Some of those critical businesses are gone now. Recently we've had other new businesses start up in Elmwood which is a sign of growth. We've had several new families move to town, also. I'm excited for the opportunity for new growth in Elmwood and would like to be part of bringing that to town. That is one reason I'm running for the Elmwood Village Board. I'd like to have involvement from citizens to see what they would like to have changed and improved in Elmwood. We should set goals and work towards making them reality. When Lou Allgayer asked me if I had ever thought about running for the Board I jokingly told him I was too stupid to be on the Board. He told me I was not that stupid. If you know Lou, that was a compliment. My qualifications for being on the Board are simple...I'm not stupid and I love Elmwood and the people here. We owned the skating rink here for several years and that gave me an opportunity to get to know your kids. What great kids we have here! Which means we have great parents. I think we owe it to them and to ourselves to make Elmwood the best it can be. We are at a point where we can sit back and keep it to ourselves which will cause the town to die off little by little or we can jump up and embrace what we have and capitalize on it. We have great people, great schools, and a clean town where you can raise a family and be part of a bigger family. Elmwood is a little slice of heaven with ice cream on top.
