

We invite you to join us for the
1st Annual Elmwood-Murdock BackPack Craft Fair!

This year the show will be on
Saturday, November 26, 2016 from 9:00a.m. to 3:00p.m.

This event is a new fundraising endeavor for the Elmwood-Murdock BackPack Program. The Backpack program is a statewide program that was started by the Food Bank in Lincoln. The Backpack Program's mission is to help alleviate child hunger in our community by providing hungry children with nutritious and easy to prepare food at times when other resources are not available, such as weekends and school vacations.

Families in need that attend either the Elmwood-Murdock elementary or high school are provided a backpack loaded with food at the end of each week during the school year. They also receive gift certificates for eggs, milk, bread, and hamburger during the six-week rotation of meals. They can get all these items in Elmwood. We have served from 6 to 13 families each school year since 2011. It costs approximately \$300 a year to support a family with a weekly backpack plus additional money needed for milk and hamburger. So all the proceeds from this event go to support this program.

We are hoping to make the Elmwood-Murdock Backpack Craft Fair one of the best shows because of the talented, top-quality crafters and artists that participate in the show.

- ❖ We have an exceptional facility, located in the bright & spacious gym, commons, and hallways area of Elmwood-Murdock Elementary School in Elmwood.
- ❖ We are committed to getting the word out about our show. We plan to advertise in the local papers. We are listed online at eventlister.com and craftlister.com. We will also be posting information to social media too.
- ❖ We require only your application and booth fee. This is a fundraiser for the Backpack program. We want to be good hosts, we want you to do well, and we want you to keep coming back!

We hope you will be interested in participating. Please find the enclosed registration form detailing our requirements for participation. If you have any further questions, please don't hesitate to contact me by phone at 402-540-0251 or email at: cdwyer@lps.org. Should you no longer wish to be included in future mailings please let me know as well. We look forward to seeing you on November 26, 2016 and thank you in advance for your prompt response.
