

Eagle Spine and Sport Patient,

Hello, I'm Dr. Tracey Eischeid, a chiropractor at Synergy Chiropractic Spine and Joint Center in South Lincoln. If you haven't already learned, Dr. Corey Campbell will no longer be running the Eagle Spine and Sport Clinic. As of May 2nd, he will be moving to Omaha to turn his focus to his growing practice there. Dr. Campbell so graciously thought of me as the doctor he'd want to take over at Eagle Spine and Sport, and I knew it would be the perfect opportunity. I wanted to send out this letter so you can learn a little about me, and to inform you of some of the changes you can expect during this transition.

I grew up in Elgin, a small town in Northeast Nebraska, and completed my undergraduate education at Concordia University in Seward. I graduated from Palmer College of Chiropractic in Davenport, Iowa in October 2015, but always felt a strong pull to get back to my home state. Throughout my time in school, I took many outside seminars, most of which were taught by Dr. Campbell. He has been a mentor of mine ever since, and I am honored to have learned so much from him.

In order to schedule appointments, we will be using the main office phone number for Synergy Chiropractic in Lincoln at **(402) 386-2660**. When calling, please be sure to specify you are a patient at the Eagle office so it is entered into the correct schedule.

I understand most of you are long-standing patients of Dr. Campbell and have filled out previous paperwork. In order for me to develop the best treatment plan possible however, everyone will fill out some new initial paperwork so I can learn a little about your health history and the conditions I will be treating. If you are an existing patient of Dr. Campbell, all initial exam fees will be waived.

Hours will be a little different with the addition of Saturdays:

Monday: 2:00-6:00 pm **Wednesday:** 3:00-7:00 pm **Saturday:** 9:00 am-11:00 am

Similarly to how Dr. Campbell operated the clinic, I will gladly accept walk-in patients during my scheduled hours. Scheduled patients will take precedence over non-scheduled patients, but I will do my best to fit you into the schedule if possible.

The office will accept all Marketplace insurance and Medicare. If you have any concerns regarding coverage, please feel free to call our front desk and check before scheduling. You can also check with your insurance company to get an idea of your chiropractic benefits before your appointment. The front desk staff will not check your benefits until after the first visit.

If you have any questions, the best way to contact me personally would be by email: tracey@synergylincoln.com. You can also call the Synergy office at 402-328-2660, and ask for Dr. Tracey. I will return your call as soon as I can. I look forward to serving the wonderful community of Eagle and the surrounding areas!

Sincerely,

Dr. Tracey Eischeid
